Alpha-40L Features

Sophisticated TSC Sense Care

- Monitor Print Head health
- Monitor Smart Battery Status

Seamless Mobility Communication

- MFi Bluetooth 5.0 supports both Apple and Android devices
- The dual band Wi-Fi features fast roaming to eliminate communications interruptions.

Enterprise Mobility Management

- TSC supports Enterprise Mobility Management via SOTI Connect
- Ships with free PC-based TSC Console for easy printer management.

Comprehensive Collection of Accessories

- forklift and vehicle accessory solution
- vehicle mount adaptors
- Works with RAM mount components

Industry-specific Durability Standards

- Built to withstand a drop test of 1.8 m (6 ft) without protective case, 2 m (6.6 ft) with protective case
- MIL-STD-810G military standard for drop test.
- IP54 for dust and water resistance with the optional protective case.

Integrated SW Pack

- TSC offers an advanced SW pack including practical solutions to effectively support Alpha-30L & Alpha-40L for customized label creation from different platforms.
- Newly introduced iOS & Android APP
 - OPOS drivers for POS application
 - Compatible with CPCL and ESC-POS printer languages
